

COME AND JOIN THE D.O.G.S. PACK!

Are you able and willing to give about 1 hour of your time every month to the successful creation of Sudbury's first Off-Leash Dog Park?

If yes, we have various little duties that need your skills and energy to assist with the success of our project.

Here is a list of duties that we have broken down to one singular task. We require your assistance with the various roles. Again, it would require about 1 hour of your time each month.

- **Secretary:** to circulate minutes, agenda and reservation of meeting rooms;
- **Recorder:** take minutes at each meeting;
- **Promoter:** list up-coming events and meeting on various community bulletin boards & websites (ie: Sudbury Star, Northern Life, etc.);
- **Membership Coordinator:** record and maintain a membership list;
- **Financial Coordinator:** coordinate financial issues with the Minnow Lake Treasure and provide reports on financial pledges;
- **Education Coordinator:** look into the various resources/components of an education campaign on responsible dog ownership for members and the community at-large;
- **Lead – New Member Communication:** to welcome new members and provide basic information on meetings;
- **Lead – Individual Pledges:** promote the financial pledge campaign to individuals;
- **Lead – Community Partners:** promote the financial pledge campaign to community organizations;
- **Lead – Dog Park Design:** research potential models that best suit our community and neighbourhood;
- **Lead – Dog Park Rules, Regulations and Etiquette:** research potential models for Dog Park Rules, Regulations and Etiquette;
- **Lead – Dog Park/ Owners' Association:** research potential structural models for the creation of either a Dog Park Association or Dog Owner's Association.

Don't forget you will be working as a group and not alone! We will provide support each step of the way. We are looking to build a solid team of dedicated people that can dedicate about 1 hour of their time each month to one of the above tasks.

If you would like to know more about one of the tasks, please email us at:

WHO ARE WE?

The *Dogs Off-Leash in Greater Sudbury Committee (D.O.G.S.)* is a sub-committee of the Minnow Lake Community Action Network. Community Action Networks (CAN) have been formed in neighbourhoods throughout the City of

Greater Sudbury including Minnow Lake (Ward 11).

The D.O.G.S. Committee is a network of individuals working together to promote responsible dog ownership and advocate for the creation of the City of Greater Sud-

bury's first Off-Leash Dog Park.

The D.O.G.S. Committee hopes to encourage the members of City Council to support our proposal for a fenced off-leash dog park on the parcel of land located at the corner of Donna Drive and Second Avenue
